Future-proof your wedding day! Your wedding will be documented in High Definition and rendered on Blu-ray disc. This package will include 3 copies of your wedding on standard definition dvds *and* 3 copies of your wedding in HD on Blu-ray disc.

A very modest travel charge applies to weddings more than 90 miles from zip code 29078 (Lugoff, SC – near Columbia). Call or write for details.

Special requests, as well as additions to or reductions from specific packages are always welcome. I am happy to work with you to meet whatever special need/budget you may have.

Available extras and additions to any package:

- Photo montage introduction (photos provided by the couple, with choice of music)
\$50 + \$1/photo
- Closing honeymoon photo montage (photos provided by the couple, with choice of music)
\$50 + \$1/photo
- Love Story Videos **Call for prices**
- RAW FOOTAGE (all unedited footage captured on your wedding day) **\$350.00**

*Please note: There is a reason this is called "raw" footage. When you receive all of the unedited footage from your wedding day, it is indeed raw. You will receive all footage on standard dvds *without* color correction and balance, audio mixing and editing, and other enhancements. If you are interested in receiving raw footage, please feel free to call for a detailed explanation.
